

*The first antiaging peeling
with activated carbon*

CARBON
SYSTEM

Gift yourself a new skin in just 15 minutes with V Carbon System

A unique multi-ingredient Film, enriched with delicate natural acids, antioxidant components like **Black Ginger extract** **Liquorice extract** and **activated Carbon** to give a **detox and purifying effect** and to **excite the cellular metabolism**.

Finish the treatment with V Carbon Spray, which not only regulates the depth of the treatment by blocking the action of the Film, but at the same time gives an **immediate long lasting lifting effect** thanks to the **innovative micronized hexapeptides**.
