intimo

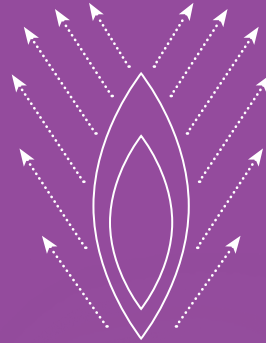

A multi-ingredient cocktail to revitalize, protect and stimulate female intimate areas.

A formulation specifically designed to improve skin texture, lighten skin tone and significantly reduce intimate problems before and after menopause.

- moisturizing,
 - regenerating,
 - protective,
 - whitening.
-

Thanks to its formula rich in excellent ingredients, INTIMO guarantees maximum effectiveness with immediately visible results.

PROMOITALIA
MEDICAL AESTHETICS

V-technique

Thanks to the roll-cap vial supplied, it is possible to apply the product quickly following anti-gravity lines.

The application technique involves the use of about 3 ml of product to treat the entire affected area.
